

## General Price List

These prices are effective March 20th, 2020, but are subject to change without notice.

The goods and services below are those we can provide to our customers. You may choose only the items you desire. However, any cremation/funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy an item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the cremation/funeral goods and services you selected.

### DIRECT CREMATION

This charge includes: transfer of the remains to our facility within a designated area additional transportation fees explained below, necessary services of staff, care of body, local transportation to the cremation and cremation service charge. This charge does not include visitation, rites or ceremonies prior to cremation of the remains. If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The minimum container we provide is fiberboard.
